## **REMARKS**

Claims 1, 4-14, 16-23, 26-36, 38-60, and 63-75 were presented for examination.

In the latest Office Action, the claims were rejected under the doctrine of obvious-type double patenting based on U.S. Patent No. 6,962,531. A terminal disclaimer is submitted herewith to obviate the double patenting rejection.

Therefore, the application is now in condition for allowance. If the examiner believes for any reason direct contact would help advance the prosecution of this case to allowance, the examiner is encouraged to telephone the undersigned at the number given below.

		Respectfully submitted,
